

Testimony For Jesus

My life as a young man growing up in Nairobi Kenya was total rebellion. I went to boarding schools in the countryside, but I felt school wasn't really my thing because I could not live up to the standards of my family. My dad was well educated and my brother was doing well in college. So boarding school actually became a place of business for me. I would sneak out of school and bring marijuana to sell for a profit. Moving to America in May of 2001 was supposed to better my life and the life of my family, but to me it only meant better drugs and different women. I finally surrendered my life after a series of events that led me to U-Turn For Christ, September of 2005. I glory in the Lord because since coming to Him, He has restored me to my family. I have been baptized. I've graduated from Calvary Chapel Bible College, I've been ordained here at U-turn for Christ; and next month (October, 2007) I will be going back to Kenya

to start a new U-Turn For Christ in my hometown. To keep in touch and see what the Lord is doing, you can e-mail me at godallowsuturns@yahoo.ca. Or send correspondence to; P.O. Box 51164 00200, Nairobi, Kenya. Thank You Jesus! And thank you all for your prayers and support.

Philippines Ministry

August was an awesome month for us overseas. We took a large group from CC Romoland, CC Adelanto, and U-Turn For Christ Kauai, Hawaii. They held outreaches on the Island of Samar, where our School of Ministry is based, as well as six (6) Church plants. They ministered in the schools (bottom left photo) and throughout the communities with skits and group participation songs. (bottom right) In addition to all this, we worked in conjunction with "The Way" Crusades ministries in Olongapo, west of Manila on the main Island. Pictured to the left you can see the Mayor of that City as we presented him with a Bible and prayed for him. God brought in a tremendous harvest through this missions trip and we're excited about what fruit we will see in days to come.

Burma

In this Country known as Myanmar, Pastor Gerry and a small team were recently escorted up river to a refugee camp where the Karin people escape the tyranny of the government, and where our Southern Thailand team minister regularly.

Thailand

Bringing the recent missions trip to Asia to a close was the ministry in Thailand. We visited the new ministry in Udon Thani, in Northern Thailand, where Peter and his wife Elizabeth, their daughter Amanda, and Johnathan serve. (top left photo)

We also acknowledged God's calling and ordained Pichai, who came to us from North Thailand and assists Pastor James with our ministry in Nahm Khem, southern Thailand. (top right photo, striped shirt)

Needs List

Our greatest need is prayer warriors, men and women who will diligently pray for this ministry.

- ◆ Bibles - Old and New Testament, Spanish & English - NKJV
- ◆ Sound system for Mexico
- ◆ Paved driveway and parking areas

Mexico Missions

God continues to give opportunity to minister the love of Christ in Mexico. It's awesome to see the men and women God sends from different Churches in the area that come alongside the ministry in Maneadero, Mexico. You can see from the photos just a few of the many ministry opportunities available as we recently served there. Some wash feet, following through with a full pedicure. Language is not a barrier. The person getting the pedicure is given a spanish tract to read while they enjoy the washing. (right photo)

Bicycles are repaired, free of charge, throughout the day. Beaded bracelets are given to many children, along with a gospel message that goes along with the different colors of the beads. (top two photos) And, as for the many who do speak spanish, they have the privilege of sharing the gospel directly, and praying with numerous men and women. (left photo) It's an awesome time!
